## SecurTrust Kids Piggy Bank Campaign

Teaching children to save money at any age isn't just about banking. It's about building character, learning responsibility, developing skills, and practicing discipline that can be applied to real life situations.

The SecurTrust Kids savings program is designed to encourage a lifetime habit of saving, while also teaching an important life skill – responsibility.

L to R: Isabel Fausto, Tierney Kuykendoll, Principal Milony Jenkins, Asst Dir Chamber Donna Horne

This school year, SecurTrust visited Byhalia Elementary School 2nd graders. We presented each child with a SecurTrust piggy bank. Students were challenged with filling their piggy banks and bringing them to the Credit Union to open their very own Kids Club account. We will add \$5.00 to their balance! We were accompanied by the Byhalia Chamber who will add an additional \$10 to the FIRST five accounts opened.

What a GREAT opportunity to give back to our community!!
